Description

For sale via secure sale online bidding: terms and conditions apply.

We are pleased to offer to auction An excellent development opportunity — land situated on Fines Road, Consett, which has been separated from the vendor's main residence. Pre-application discussions have been held with the local planning authority regarding the potential construction of two detached four-bedroom dwellings (subject to full planning permission).

Initial feedback from the council suggests that the principle of residential development could be acceptable, offering an ideal opportunity for a developer or self-builder to pursue formal planning consent.
