Description

Pattinson Estate Agents are pleased to offer for sale this substantial four-bedroom detached family home, positioned within a well-regarded residential development and offering accommodation arranged over three floors. The property has been finished to a high standard throughout, with carefully selected fixtures and fittings and a layout designed to provide both practical family living and comfortable reception space. The home will appeal to buyers seeking a spacious modern property within a location that provides access to surrounding green space and road connections.

The accommodation briefly comprises an entrance hallway leading to a modern fitted kitchen with a range of integrated appliances and open access into a family reception room designed to provide additional everyday living space. There is also a separate utility room and a downstairs WC.

To the first floor there is a spacious 18ft living room featuring a Juliette balcony, allowing for a light and open feel. This level also includes a double bedroom and a shower room which can be accessed from both the bedroom and the landing.

The second floor provides a four-piece family bathroom and three further bedrooms. Two of the rooms are generous double bedrooms, including the principal bedroom which benefits from fitted wardrobes and an en-suite shower room.

The property additionally benefits from Hive smart heating and smart thermostatic radiator valves throughout the property, allowing for efficient management of the central heating system.

Externally, the property offers a private rear garden with gated access, a detached garage with an up-and-over door which has been boarded out for use as a gym, and a large driveway with car port providing off-street parking for several vehicles.

The property is located within a residential development surrounded by areas of green belt land, providing open views and nearby walking routes. The position offers convenient road access to the A1(M) and Washington Highway, allowing travel to nearby towns and regional transport networks. Local amenities and services are also available within the surrounding area.
