Vendors comments

'We fell in love with the views from this quirky "upside-down" house and think you will too. You can see the bridges over the Tyne between the trees. And on Bonfire Night and New Year's Eve you have front row seats for all of the fireworks across the city We've recently refurbished the upper floor / living space - going fully open plan - to make the most of the views and natural light. The two bedrooms downstairs are a cool calm oasis on a hot day - with direct access to the garden from both - while the upstairs bedroom is a perfect teenage hangout.'
